

ST. MARTIN'S PAC SERVICE DIRECTORY

Parish Assistance Coalition (PAC) was created to address the ongoing financial challenges at St. Martin's Parish. PAC members have agreed to pay an annual fee, a 5% remittance, unless otherwise denoted, on any service charged or commission earned from St. Martin's Parishioners, and most importantly, not to increase their prices because of their participation in this program. PAC excludes any existing service/treatment contracts or agreements. As parishioners, you must contact the person listed for each company and simply say "PAC" at the point of sale. Every dollar collected from the PAC Program will go directly to the parish operating budget to help decrease our deficit. We feel this is a win/win for everyone involved and ask for and appreciate your support!

PAC MEMBERS
